REQUEST FOR CORRECTION OF INVENTORSHIP UNDER 37 C.F.R. 1.48(b)

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

On June 25, 2004, Applicants responded to the Notice to File Missing Parts to provide a copy of the signatures of David L. Foshee and Jason R. Durkin which were inadvertently omitted. The following documents were also filed on June 25, 2004, a copy of each of which is attached:

1. Statement under 37 C.F.R. § 1.63(d)(2);
2. Request for Corrected Filing Receipt;
3. Copy of the marked-up Official Filing Receipt;
4. Copy of Application Data Sheet filed with the application on February 5, 2004;

and

5. Check No. 330525 for \$260 to cover the \$130 surcharge for late filing of the declaration and \$130 processing fee for change of inventorship.

Applicants received a Response to Request for Corrected Filing Receipt, indicating that a petition to correct the inventorship under 37 C.F.R. § 1.48 is required. Although Applicants do not agree that the petition is required in this instance, in order to facilitate the making of the change and prosecution of the above-captioned application, Applicants provide herein the request under 37 C.F.R. § 1.48(b).

The above-captioned application is a divisional of prior application number 10/268,059, filed October 10, 2002.¹ In accordance with 37 C.F.R. § 1.63(d)(1), a newly executed oath or declaration is not required in a divisional application provided that the divisional application is filed by all or fewer than all of the inventors named in the prior application, and that a copy of the declaration filed in the prior application is submitted for the divisional application. The above-captioned application was filed by fewer than all of the inventors named in the prior application, and a copy of the declaration filed in the prior application was submitted. In response to the Notice to File Missing Parts of Nonprovisional Application, a copy of the declaration that includes the signatures of David L. Foshee and Jason R. Durkin was filed on June 25, 2004.

In accordance with 37 C.F.R. § 1.63(d)(2), the copy of the declaration in the divisional application must be accompanied by a statement requesting the deletion of the names of the persons who are not inventors in the divisional application. Attached hereto is copy of the Statement Under 37 C.F.R. § 1.63(d)(2), filed on June 25, 2004, requesting the U.S. Patent and Trademark Office to delete the names of the following persons who are not inventors in the above-captioned divisional application:

Colleen Conlon;

David L. Foshee;

Jason R. Durkin;

¹ This correction to the filing receipt has been reflected in the Updated Filing Receipt received with the Response to Request for Corrected Filing Receipt.

Tim Coker;

Kevin Stapleton;

Sarah Dreesen; and

Mark DeLong.

Applicants respectfully request under 37 C.F.R. § 1.48(b) that the inventorship of the above-captioned application be corrected to delete the above-named inventors whose inventions are not being claimed in the above-captioned divisional application. Applicants further request that a Corrected Filing Receipt be issued.

The \$130 processing fee was paid to the U.S. Patent and Trademark Office in Check No. 330525 filed on June 25, 2004, a copy of which is attached. The U.S. Patent and Trademark Office is hereby authorized to charge any deficiency or credit any overpayment to our Deposit Account No. 50-0740, under Docket No. 000166.0109.US03.

It is not believed that extensions of time or fees for net addition of claims are required beyond those that may otherwise be provided for in documents accompanying this paper. However, if additional extensions of time are necessary to prevent abandonment of this application, then such extensions of time are hereby petitioned under 37 C.F.R. § 1.136(a), and any fees required therefor (including fees for net addition of claims) are hereby authorized to be charged to our Deposit Account No. 50-0740, under Docket No. 000166.0109.US03.

REQUEST FOR CORRECTED FILING RECEIPT

Filing Receipt Corrections
Office of Initial Patent Examination
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

Applicant hereby requests that a corrected Filing Receipt be issued in the above-identified patent application. It is requested that the inventorship data and the domestic priority data be corrected as listed below. A marked-up copy of the filing receipt with corrections in red is attached.

The above-identified application is a divisional application that has fewer than all of the inventors named in the prior application. This Request for Corrected Filing Receipt is filed concurrently with a Statement under 37 CFR § 1.63(d)(2), which allows the deletion of inventors without the filing of a new oath or declaration. The Application Data Sheet filed with the divisional application was correct in that it listed only the inventors that contributed to the claims in this divisional application.

Under the section for Applicant(s), please delete the name of the following inventors:

Colleen Conlon;

David L. Foshee;

Jason R. Durkin;

Tim Coker;

Kevin Stapleton;

Sarah Dreesen; and

Mark DeLong.

Under the section for Domestic Priority data as claimed by applicant, please correct the status of this application to read as follows:

--This application is a DIV of 10/268,059 10/10/2002 PAT 6,732,732 which is a CIP of 09/835,302 04/16/2001.--

The correct domestic priority data was contained in the application data sheet filed with the above-captioned application (copy attached).

Applicant additionally requests that all pertinent U.S. Patent and Trademark Office records relating to the subject application be changed to reflect these corrections.
